WHY “THE COMPUTER” IS THE CREATURE (27:82)

MOTIVATION

- ▶ The following slides are here to present the reasoning behind the fact that why verse 82 of chapter 27 is referring to the modern computer that we are all using in one way or another in our contemporary lives.
- ▶ There would be a collection of all the evidences and related information to this prophecy and most likely more bullet point events will be added at a later time as we collect and or discover pertinent information to this astonishing phenomenon.

MOTIVATION

- ▶ By discovering the Quran's mathematical miracle, almost all the evidences and proofs presented in this article and elsewhere in this site are expressed in mathematical formulas that has a Dividend and the number 19 as a constant Divisor with zero remainder.
- ▶ The name of the discoverer of the code (The hidden secret) in 1974 AD is Rashad Khalifa and that name is expressed in three Gematrical forms: 505 first name only, 1230 first name plus last name and 505725 first name and last name side by side (concatenated).

THE COMPUTER IS THE CREATURE*

*The Computer Is The Creature**

[27:82] At the right time, we will produce for them a creature, made of earthly materials, declaring that the people are not certain about our revelations.

*The Computer Is The Creature**

****27:82 (2+7+8+2 = 19) The computer was required to unveil the Quran's mathematical miracle, and it proved that most people have discarded God's message (see Appendices 1 & 19).***

REASONING FOR THE UNDERSTANDING

- ▶ Considering the points mentioned in the verse 82 of chapter 27 the following historical facts were noticed:
- ▶ The silicon is the 7th most abundant element in the universe and 2nd element on planet earth. Notice the point mentioned in the verse as (made of earthly materials)
- ▶ The 14th element in the periodic table is Silicon as Si(14) and this element is the pivotal element in manufacturing transistors in 1947 (At the right time) as the building block of today's computers and

$$27 \ 82 \ 1947 = 19 * 146...313$$

REASONING FOR THE UNDERSTANDING

- ▶ The German chemist “Jons Jacob Berzelius” was able to isolate Silicon 14 for the first time and that year was 1824 and $1824 = 19 * 96$.
- ▶ The gematrical value for the verse 27:82 is (Gem = 4794) and silicon has an atomic number of 14. The following equation holds true with the above information:

$$27 \ 82 \ 4794 \ 1824 \ 14 = 19 * 146...706$$

- ▶ Also, the following equation:

$$14 \ 1824 \ 27 \ 82 \ 4794 = 19 * 746...726$$

REASONING FOR THE UNDERSTANDING

- ▶ And there is no doubt that miracle of 19 discovered in 1974 is mainly expresses itself with extraordinary computer equations with an outcome that is divisible by the number 19. This is the way that Quran prove itself to be authored by Almighty God.
- ▶ The above fact is expressed in the last point mentioned in the verse 27:82 (declaring that the people are not certain about our revelations)
- ▶ We may think that humans have invented or discovered new technology throughout the years while God is the one that gradually releases these information to human race according to His will, and then the expression (we will produce for them a creature) in the verse 27:82
